4th January 2009.

Dear Simon,

I am enclosing the signed receipt for another extremely generous donation. I can't believe how much you raised this year in these straitened times and in such an incredibly cold winter. You are an impressively dedicated group and we are touched by the generosity of the local community.

Our annual report has been slightly delayed this year so I will send it on as soon as it is available. (Ben, who used to pull it all together, has inconveniently moved on to a career on stage and in television so we have struggled to make up for his skills.) However, we expect to have it hot off the press by the end of the month.

This donation will be used in one of two ways: either to help subsidise residential school trips for refugee children or to pay for experts to come and develop a specific project such as animated films during Refugee Week (14-20 June 2010).

We have been making strenuous efforts to encourage as many refugee children as possible to attend residential trips as they can be life-changing. Many are discouraged by the cost so this donation could facilitate 9 more being able to attend. Alternatively, we always like to promote understanding of refugee issues amongst the whole school community during Refugee Week and often do this through the participation of large numbers of children in a big project. Two years ago all 90 pupils in Year 6 made animated films which were a huge success and we are keen to repeat this.

We'll make a decision as to how to use the money in the next few weeks and will let you know.

Once again, thank you and your co-singers very much indeed for your generosity and bravery!

With very best wishes,
