Re: donation of £900 to CHC winter shelter

Thank you for your very kind donation which we received this morning. I realise you funded us last year so to receive again this year from your Singers is really appreciated.

We started the winter shelter on 12th December which is just as well as we already have 11 people in various stages of using the service and we unfortunately predict an increased take up this winter.

Fortunately however the weather at least is better than last year so that's a bonus. Merry Christmas to you Simon and your singers.
